## EDITORIAL

**F**or month's we've been hounded by adverts, shops and family with all things Christmas, and as the day itself creeps ever closer filling the air with festive cheer; I find myself desperately searching for some form of escapism. Thankfully we are knee deep in the office with delightful hot totty, and we're eager to share the likes of Ella Hughes, Chloe Toy, Katy Jayne and newbie Lycia. But the angel at the top of the tree this year is Nicole Aniston, who's ready to get cracking on your nuts and put a firework in your stocking as this month's cover girl. Now if that hasn't tempted you away from the mince pies, then I don't know what will. So Merry Christmas folks!

**Dear Club,**

This year Christmas kicked off with a big party at the office. I enjoyed myself so much that I could hardly remember much and came to work the next day with a huge hangover. As I gulped down some headache pills, I listened in alarm to the girls whispering and giggling about the way I had apparently thrown myself at Steve, our regional manager.

Not only was I worried about having made a fool of myself at the party, but when I switched on my computer I almost burst into tears when I saw a personal email from head office. Worried about my future, I reluctantly opened it. With a sigh of relief I saw that it was an invitation to attend Steve's private Christmas party.

To put it mildly Steve is a hunk, good looking with a fit body and just oozing sex appeal. I spent the next few days planning my outfit for the party and in the end decided on wearing a little black dress over some tiny black lace Victoria's Secret underwear. I finished the outfit off with stockings and my highest-heeled "fuck me" shoes.

Steve's house was rather grand, and as I parked my Metro on the drive I marvelled at the amount of expensive motors belonging to his other guests. I felt a little shy entering his plush home, but he welcomed me warmly and introduced me to everyone as though I was his girlfriend. All through the evening he kept coming up to whatever group of people I was with and putting an arm around me, filling my glass, and then kissing my cheek before

leaving me again to mingle with his other guests.

As the evening wore on and everyone began dancing I found myself letting off a little steam. I was swaying in time to the music and had been through my fair share of partners before he claimed me for himself. We were dancing very close and the drink made me relax so much that I almost forgot where I was. When I felt his hard cock pressing into me, we began to snog, and I ground my pussy back against him and squeezed his buttocks with both hands. We were practically dry-humping as we danced in the low lighting and if he had not picked me up and carried me upstairs I am sure the next step would have been to shed our clothing in front of his guests.

He tipped me from his arms onto his bed

**“With one hefty shove he shunted his thick cock-head just inside my juice-slick hole.”**

before locking the door. I wriggled out of my party dress and cavorted around his bed, tantalising him in my sexy black frilly lingerie and stockings as he ripped off his clothes, revealing his rampant cock with its dark red helmet. I squealed with glee as I dived across his bed and he made a lunge for me, and we ended up in a tangle of his bedclothes.

"Come to Santa, and see what he has for you," he said, wagging his prodigious member at me in one fist. I was impressed by the length and girth of his fine big cock, and playing along with him I asked

if I could suck his candy cane. Not bothering to wait for a reply, I gripped the base, and, wrapping my bright red lips around his cock, began sucking it. It tasted wonderful, and once I had bobbed my head on it for a few minutes I allowed the helmet to pop from between my glossy lips and I started to make eye contact with him, showing him how good it was by licking his cock-head as though it was an ice cream cornet.

While I blew him, Steve removed my tiny lace bra and began teasing my hard nipples, making my pussy wet as tiny sparks of pleasure pulsed through my clit. Sucking him deeper inside my mouth, I gobbled and gulped, trying to take more of him inside as he commenced rolling my sensitive teats between his forefingers and thumbs. My pussy ached and throbbed with need and when I could hold back no longer I popped his cock from between my lips and begged him to do me properly. Still imitating Father Christmas, Steve gave a hearty laugh and rolled me over onto my back.

"What would you like for Christmas, little girl"? he asked spreading my legs. "Just a fuck, Santa, please," I replied, grasping his cock and guiding it toward my soaking pussy. Steve allowed me to position his cock against my entry, and with one hefty shove he shunted his thick cock-head just inside my juice-slick hole. I wriggled delightedly and pushed my hips upward to meet his thrust, moaning with pleasure as his big cock sank deep inside my wet slit. I gripped his buttocks, digging my nails into his taut flesh

as he began to hump me hard and deep, sending quivers of exquisite pleasure through my whole body as he brought me to climax within only a couple of minutes. My body shuddered, still in the grip of orgasm, as he pulled out of me again and flipped me onto my tummy, pulling my hips back and up, then re-entering me hard from behind. I love being fucked doggie, and my body stiffened as my pussy clamped around his shaft and went into

**"...my body stiffened as my pussy clamped around his shaft and went into spasm."**

spasm. Pumping his cock in and out of me from behind, Steve shafted me until I was squealing with outrageous pleasure, and when at last I felt him firing his creamy load way up inside my contracting pussy my orgasms rolled one into the other until I was more or less delirious with pleasure. Obviously I stayed the night after that, and Steve gave me plenty more Christmas presents before the morning rolled round. We've seen plenty of each other since then, and I can't wait till this Christmas when we can have a proper repeat performance...

**R**ecently we were lucky enough to join Ella Hughes on the sofa for a little tête à tête, as the glamour puss fills us in on what's she's been up to.

"Lots of work and lots of play, but seeing as work never feels like work, I should just say all play."

Would you say this is your dream job?

"It's not something I thought about doing growing up, I just wanted to do something I loved. But I love this, so yea, I guess this is the dream job."

There aren't many people who can boast that at 22-years-old.

"I've always been a lucky girl in more ways than one."

So while Ella is fulfilling her dreams, she will be filling ours.

# TOTAL RECALL

Dear Total Recall,  
 Once upon a time in the depths of my youth  
 I opened an issue of Club to be greeted by  
 Kate and Lana, two of the hottest babes I  
 had ever set eyes on, doing things that I thought only  
 existed in my imagination. But there they were stoking  
 my fantasies and hardening my cock. It would be great  
 to see that set again, so I'm hoping you'll be able to do  
 a little detective work as I can't remember the issue only  
 that it was from Volume 32!  
 Keeping my fingers crossed.  
 Craig, Dumfries.

**S**omebody can't wait to be nestled back between her silky sheets, as we get more than a little intimate with Cherry.

"This is my favourite place in the whole house, I just love snuggling down naked in bed when it's cold outside."

There's certainly a nip in the air, but Cherry seems more than pleased to languish unclothed with her sumptuous flesh exposed, and it's all we can do to stop ourselves jumping straight in with her.

A high proportion of new inventions seem to be crowdfunded these days, and the ingenious Fizzics Waytap is no exception having bubbled up into life on the wave of 7000 people's donations so you can enjoy your perfect pint at home, complete with smooth and creamy head. Plus it's all natural, so there's not a gas canister insight, the Waytap uses sound waves to convert the loose bubbles in your bottle into a tightly packed moustache maker of a head, and because it runs on four AA batteries, you can enjoy a draft anywhere. The Waytap is compatible with most sized cans, bottles and growlers so you won't be limited in your choice. Now that's what we call science.

If like me you're a proud man cook, who enjoys watching flames lick the underside of a big juicy steak, BBQ's with a shower of enthusiasm and takes pride in the little touches of campfire cooking, then the Kitchen Multi-Tool will have an instant Magpie effect on you. Styled like a penknife, this portable kitchen gadget comes with all the things a budding chef could need, with it's twelve in one feature supporting, cheese grater, stirring spoon, Carving fork, channel knife, serrated knife, paring knife, zester, peeler, garlic crusher, corkscrew, can opener and a bottle opener. With these stainless steel cooking ninjas to hand, it looks like you'll be able to ditch the entire utensil pot. Handy if you're short on space or go camping a lot.

**Levitate 2.0**[www.menkind.co.uk](http://www.menkind.co.uk)

Whip out your Jedi hat and get your head around this visually dumfounding sound pounder. In today's bulging tech market Bluetooth speakers generally have a specific detail that highlights the product, e.g. it's portable, waterproof etc. So when we came across Levitate 2.0, which does exactly as the name suggests, we thought we'd hit the futuristic jackpot. So firstly it's visually mind-boggling, like a smooth black pebble it hovers above its base with an almost hypnotic blue LED light present. But what does it sound like? Well, excellent! There's some serious tech in this alien speaker, with a 5W output and a broad spectrum, so the audio output doesn't disappoint. Plus there's a built-in microphone for calls, and you don't have to worry about your speaker crashing to earth either with its wireless charging unit.

It may be cold outside but the sight of Chloe will more than warm your cockles.

**W** We can't think of two things that go together more than women and cars, if you chucked a frothy beer in too, then it would be the ultimate dream team. So when we came across Katy Jayne draped over the hood of this stunning Bentley, we did have to rub our eyes a few times to check we weren't dreaming. Thankfully we weren't as Katy more than put us to shame on our auto knowledge.

"I wouldn't mind a Bentley, but I'd prefer an Aston Martin. Not the latest DB11 but the DB9, the handlings amazing on that model, it completely blew my mind."

You'll need a big engine to handle Katy.

## Art School Private

**Starring:** Luna Rival, Taylor Sands, Clea Gaultier and Alexis Crystal.

**Synopsis:** "Private are opening the doors to the exclusive Art School where experi-

mentation isn't just encouraged it's law! Where better for Luna Rival and Kristy Black to practice the dark art of anal, especially when their hung teachers are willing to teach them a lesson or two. Horny Professor Clea Gaultier puts her pupils to the test, taming a big black stallion as she shows off her disciplinary skills. Last but certainly not least is the gorgeous Alexis Crystal, this slutty nude model knows how to get the best out of her artists. She puts that tight shaved pussy to good use and gets their creative juices flowing... all over her face."

*Courtesy of Private*

**Verdict:** Have you ever wondered what goes on behind the doors of some of the most famous established Art Schools in the country? Well, Private is going to add a bit of fuel to your imaginings with this little number. With nude drawing at the top of every student's syllabus, Sensi's not the stillest model, as his huge black dick gets suck into Clea Gaultier's waiting mouth. After giving her man a very throaty blowjob, Gaultier bends over to let Sensi stretch her to the max before taking a facial in the 69 position.

But it's not just Gaultier having all the fun, as two fellow art students Taylor Sands and Marc Rose enjoy a master class in more than painting, with some intense anal action. It's more Prickasso than Monet we're pleased to say

## From Beyond Wicked Passions

**Starring:** Moka Mora, Aaliyah Love, Chanel Preston, Ella Nova, Jay Smooth, Marcus London, Ryan McLane, and Ryan Driller.

**Synopsis:** "Sofia (Chanel Preston) and Michael (Ryan McLane) have the perfect marriage. When Michael is tragically killed, Sofia immediately notices strange things happening in their home. She cannot shake the feeling that he is "still with her". Sofia's best friend (Aaliyah Love) convinces her to speak with a psychic, who tells Sofia that Michael is trying to warn her. When Sofia confronts her husband's friend about some of the details of Michael's death, the truth comes out, but will Michael's love be enough to protect her from beyond the grave?"

*Courtesy of Wicked Passions*

**Verdict:** There are some spooky goings on in this new release from Wicked Passions, directed by Stormy Daniels. So get your Luigi board ready for an encounter from the other side, but while we are still in the land of the living, or rather Ryan McLane is, Chanel Preston is in for an anniversary shafting. First off, he tongues her pussy with dedication before she engulfs his dick in a sloppy blowjob. All the while the daughter Ella Nova is busy breaking and entering for a dirty tryst with her fella, who looks like he knows how to keep her happy. But things are about to get messy in more ways than one, as steamy sex sessions work to relieve the grief. Bad guy Mike London can't get enough of his secretary Mika

Mora's ass and pussy as he gives them both a good licking before giving her a good seeing too on his desk. If you prefer a more intimate watch, or perhaps viewing with your partner, this would be a good choice.

The logs on the fire are crackling away, and the fairy lights are gently twinkling, and at the Men Only HQ a long list of naughty and nice is rolled out and scoured over. But it looks like our dear readers have all been very naughty this year (bravo!). So, as a little present

from us to you, this month we have the smoking hot Nicole Aniston adorning the cover and cutting quite the Christmassy. Her red lingerie with white lace and you all jingle over Nicole, Men Only wishes you a very Merry Christmas!

One busty beauty we have been aching to feature is the Clacton-on-Sea lass Lycia, who only started revealing all for the camera this year. But finally we have our long overdue wish at Men Only, and Lycia is ready to tantalize and tease us with her gorgeous body.

So Lycia, how are you finding the switch over from mainstream modelling to adult?

"I'm really enjoying it, I just have so much fun, most of it naughty of course!"

We like to see a girl enjoying herself and that's certainly what she does in front of our camera, as you can see.

## CONFESSIONS OF A NEAT FREAK

I've always been "anally tidy", as my fiancé Declan puts it. The "anal" bit is another story, but when Josh, one of my fiancé's mates, was moaning about how cluttered his flat was, I agreed to help him with a sort-out – in return, he said he'd take me and Declan out for a curry.

Declan joked about me dressing like a French maid, but I just went for trackies over tight shorts and a vest top, which I stripped down to once I'd worked up a sweat. And going by the way I caught Josh looking at me, I doubt I could have given him a bigger boner if I had gone around in frilly knickers and stockings.

His place was a tip so I said we'd have to be ruthless. In fact, I was such a bossy mare that I only let him take a break when he offered to fetch us some beers. I hadn't eaten since breakfast so it only took two to get me tipsy, but that didn't make me any softer on him – just gobbier and less willing to listen when he begged me to let him keep some musty old tour T-shirt or novelty pint glass. In the bin they went! He, meanwhile, was ogling my tits, arse and legs, although he didn't try anything on.

Things got awkward when I dived under the bed to see what horrors were lurking there, and I found his porn stash – a massive pile of mags. He said he'd had some of them since college. I tried to put them all in the recycling but he insisted on rescuing three of them, and

I knew he wasn't going to back down on this one.

I said we should take another break – the reason being I wanted a look at the mags, because I was curious. So I sat with another beer, and flicked through them. No sticky pages as far as I could tell, but they were looking a bit tatty from overuse, especially certain sections. And I couldn't help noticing from these favourites that I was probably his type.

There was a bit of tension after that, but we channelled it into finishing the clearout – Josh got all manly and decisive, like he was trying to impress me with how much he was willing to chuck out.

When Declan turned up, we were running the vacuum around the place. "She's seen to your junk all day – no wonder you've lost your mess," Declan said. I reckoned he'd spent all afternoon thinking that one up.

By now, I was feeling so horny, I ran up to him and gave him a big hug and snog. His hands were all over my arse through my stretchy shorts, and Josh told him, "You are such a jammy bastard."

"C'mere," I said, wanting to give him a matey cuddle. I could blame it on the beer, but I don't think that's the only reason why one minute I had my arms around the two of them then the next I was necking with Josh. I thought Declan would go ballistic but when I looked, he was grinning to himself and rubbing his crotch through his trousers.

I went back to kissing Josh and soon felt Declan's hands

on my body from behind, cupping my boobs then stroking down my hips to fondle my arse cheeks. Now Josh was playing with my tits, and as I felt Declan's hand move in between my thighs I clamped them around it, grinding as he moved his fingers to touch my pussy up through my shorts.

This made me snog Josh even harder, rearing his mouth with my tongue, but then he pulled away, gasping for air, before bowing his head to suck my tits through my vest. I hiked it up to show the sports bra I was wearing under it – not the sexiest, but it undoes at the front, so he had fun unhooking

“...he spent ages just playing the head of his cock all over the outside of my pussy.”

**“...wanking his cock  
against the crease  
between the top of  
my arse-cheeks.”**

it, kissing my titflesh as he exposed it, and feeding one nipple at a time into his mouth.

Declan had his hands down the back of my shorts now, groping my cheeks, but this left my pussy aching for attention. I moved my hips until he got the message and pulled the shorts down to my knees, sliding a hand underneath to cup my labia. Even this left me frustrated, though – he deliberately pushed them together so he was only playing with my clit through them, and I could only spread as wide as my shorts could stretch.

Declan dropped to his knees and started licking me, finally letting my pussy lips part so he could finger my bud, and using his tongue around my hole before plunging it in. I squealed, and Josh took it as a plea to get even rougher with my tits, kneading them and rubbing his stubbled chin against them.

Declan loves to eat pussy – he could do it all night. But when Josh asked, “You gonna fuck her or can I?” Declan told him to wait. Declan was already rock hard from licking me, but I gave him a bit of a rub to be sure. And he wasn’t going to rush it – he spent ages just playing the head of his cock all over the outside of my pussy and my clit, working me up until I reached back, grabbed it and

**“It didn’t take much of this kind of friction to get him spurting, so hard that I felt a few drops splash up as far as my shoulder blades.”**

touched it to my hole.

Even then he hesitated for a few moments. I’m sure I felt pre-cum trickle inside me from his tip though it may have been my own juices. Then he slid up my wet cunt in one smooth push.

He was fucking me while Josh’s mouth mauled my tits, and I reached down feeling for Josh’s cock. Once he realised what I was doing, he unzipped and dropped the combat shorts he had on. He had a nice solid prick on him – not as big as Declan’s but a good handful. I wanked him and nuzzled my way down so I was stood bent over in between them, Declan ploughing in from behind, slow but deep, and me lapping at the crown of his best mate’s bell-end.

Not the steadiest or cornfiest of positions, so we moved it to the couch – it’s just a two-seater so Josh stood at one end, with me now stark naked on all fours and Declan on his knees behind me. Josh was finding it difficult to keep in control, so I curled a few fingers around his root, gripping him tight, meaning he could thrust as hard as he wanted.

Usually when Declan does me from behind he likes to jizz inside me, to shove my cheeks tight together as he pushes in and feel it flood my tight-squeezed hole. Then he’ll reach under me and give my clit a tickle, so I cum around his sensitive prick. I’ll feel him twitching and shaking because it’s almost too much for him to handle, but he doesn’t want to pull out until my cunt has wrung every drop of spunk from his balls.

But he can do that any time, of course. This time he wanted to give his mate a show, so he pulled out and started wanking his cock against the crease between the top of my arse-cheeks. It didn’t take much of this kind of friction to get him spurting, so hard that I felt a few drops splash up as far as my shoulder blades. Most of it soaked the small of my back and then he tossed the last of it over my bum-cheeks, working it in with the hot head of his cock.

I was gobbling away at Josh's cock, which tasted moist and salty. He wasn't going to last much longer, so I let him slide out, my thumb pressed over the slit at his tip. "Pull my hair," I moaned. Not the kind of thing we'd normally do, but I was feeling lovely and dirty and this was something I'd seen in one of Josh's mags.

My hair was in a ponytail – practical for cleaning up, practical for your bloke to hang on to! Even though it was my idea, Declan was scared of hurting me so he did it slowly and gently, but it

arched my head up just enough that when I "uncorked" Josh's prick and gave it a good wanking, he sprayed his load all over my face to drip down my neck and on to my tits too.

I got some in my mouth – he tasted different to Declan too, but nice enough – then I just rubbed it in all over my face and body for the boys to watch. Declan and I slumped on the couch, but Josh staggered into the bedroom, grabbed his three porn mags and made a big thing out of binning them in front of me. I asked was he sure he wouldn't regret slinging them, and he said that what I'd just put in his wank bank would do him fine for years to come.

I reckoned he needed more than that so once he was stiff again, I let him fuck me, missionary, while Declan played with my tits. Then I had him snap a picture on his phone, of his spunk dripping out of my stretched pussy – more than enough to get him off,

I reckon!

# Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal.

## ANAL WORKOUT

I have a confession – and that is that I like playing with 19 year-old girls' arses. One advantage that I've got is that I am a 19-year-old girl, so I've always got at least one arse that I can play with! Obviously I love how it feels when I use my fingers or toys back there but I found myself wanting to share that feeling with my friends. Well, one friend in particular, Sophie. She's not my best friend but she does a lot of aerobics and yoga which means she's got the best bum I've ever seen – the only problem was trying to get her to let me play with it, since she's both prudish and straight.

I didn't want to scare her off, so resisted the temptation to simply ask her – although I nearly did when she came to a party in a soft salmon-pink dress which clung to her arse in a way that made me jealous. I danced with her that night, my hands on her hips as her wonderful little bum wriggled against my groin. I had urges to just pull-up her dress and grope her arse, or even better to crouch down behind her to kiss and lick it. I came hard that night, with my biggest vibrator buzzing deep inside my bum, thinking about the way Sophie's body had felt in my hands, the soft firmness of her buttocks rubbing against me.

From that moment, I was utterly obsessed with her. I craved to be with her – and when I was with her, I couldn't stop looking at her bum and touched it at every opportunity. I patted it, stroked it, rested my hand on it – which was all well and good, but just made me want even more. Things came to a head when she missed a night out and I sent a drunken text, saying how much I missed her – and her sexy bum.

"So, you think I've got a 'sexy' bum?" she teased when I saw her the next day. It was a kind of now-or-never moment.

"Yes – I think it's perfect. In fact, I've got a little confession."

"Go on," she said.

"It's about your bum," I said, whispering into my coffee.

"My bum? Go on."

"And what I want to do to it." My heart was pounding but I'd already gone past the point of no return. Sophie didn't say anything; she just waited for me to continue.

"I keep imaging myself kneeling behind you, pulling down your knickers... and licking your arsehole." There was a painful silence as Sophie took a sip of coffee.

"Is that all?"

"What do you mean?"

"Is that everything you want to do to my 'sexy' bum? Just lick it?"

"Well – no."

"That's good," she said, "because I know

**"I took the invitation and pressed my mouth into her anal cleft and licked."**

how much you like it." Sophie gave me a big grin from behind her cup. "Or did you think I hadn't noticed?"

"I..." But I didn't know what to say, and simply flushed with embarrassment.

"I'll do you a deal – I'll let you do anything you want to my bum, if you'll let me do the same to yours." I agreed without hesitation – I couldn't think of a more perfect arrangement. "Tell you what; I could do with another work-out – why don't you come back with me now?" I did and before I knew what was happening, I was with Sophie in her bedroom. She gave me a little smile as she turned around, offering me her bum. The loose tracksuit bottoms did little to hide the svelte curves within. I got into position, took two handfuls of the soft, velvety material and pulled them down.

My face was level with Sophie's little bum. It was breathtakingly gorgeous, clad in pretty pink and black

**...she moved her mouth back over my pussy and licked and sucked it."**

shorties, with a bright shaft of light shining through the gap at the top of her skinny thighs. Taking a deep breath, I pulled her underwear down. I was in a perfect position to admire - and the view was better than I had fantasised. Her buttocks were svelte, separate globes of flesh. I loved that they didn't meet, like a rolling hillside with a deep gully in between. There wasn't a hair in sight, and the neat labia of Sophie's pussy drew my eyes up to the darker skin surrounding the inviting fan of crinkles that was her arsehole.

Perhaps I waited too long, for Sophie pushed her bum back at me, spreading her arse even wider, revealing the full glory of her bumhole. I took the invitation and pressed my mouth into her anal cleft and licked. The sensation thrilled me. It was such a taboo thing to do to my friend. I tasted her, the soft fragrance of rose body wash struggling to hide the more meaty flavour of a girl's bum. I'd licked my own fingers - I knew what a 19-year-old girl's bum tasted like... and I loved it. My enthusiastic probing brought a gasp from my friend - perhaps she'd been expecting something softer - a slow, sensuous exploration of her bottom rather than me digging my tongue into her anus.

"Oh fuck," she whimpered, and I followed her as she dropped to hands-and-knees. If there was any doubt as to whether Sophie was enjoying my anal worship, the arrival of her fingers on her clit put paid to them. The fact that she was masturbating turned me on more than I thought possible. I reached my arm between her legs and brought it around her hips, gripping her, pulling my mouth even deeper into her ass. And then I slipped two fingers into her pussy, twisted them around and fucked her with them.

"Oh my God!" she shrieked, before repeating the phrase quietly, disbelievingly, over and over. "I'm going to... Uhhnnnn!" I felt the sudden spasms of her orgasm. It was unbelievably erotic to share Sophie's pleasure; to feel the muscles of her pussy flexing around my fingers as I took a last lingering lick of her arsehole.

I felt really pleased at having brought my friend off so powerfully. "That was... amazing. I'm not sure that I'll be able to... do it so well," Sophie confessed, sounding anxious. I kissed her, knowing that in doing so I was sharing the taste of her bum from my lips.

"Don't worry - I'm sure I'll enjoy it!" I ended up on Sophie's bed, totally naked

“...suddenly I felt a hot gush of cream flooding my colon.”

with my legs spread, holding my pussy open. She was slower, teasing me by kissing her way along my inner thigh for what seemed like an eternity before reaching my crotch. But the wait was worth it as her mouth finally found my desperate pussy. Sophie looked up as she slid down further, wanting to catch my expression as her tongue slipped over my anus. It was the dirtiest thing I've seen as I looked into her eyes as she tongued my arsehole.

I tried to rub my clit – but Sophie wouldn't let me. Instead, she moved her mouth back over my pussy and licked and sucked it. As she licked me, I felt pressure on my ass and was delighted when she managed to push a finger, and then two inside. It was so sexy that I melted into a delicious state of excited relaxation that slowly built into a tremendous climax. My hips bucked fully off the bed as my muscles crushed every ounce of pleasure that had been building into wave after wave of ecstasy.

Just when I thought it couldn't get any dirtier, Sophie pushed her fingers into my mouth and watched as I sucked them clean. “Well, that makes a change from the gym!” Sophie giggled. “Perhaps I could be part of your workout?” I joked. Sophie stopped giggling and looked thoughtful for a moment.

“You know what, I'd love that. Can you manage three times a week?” It turns out that I can manage more often than that! Sadie, Guildford

#### HARD BACK SHAGGING

For my boyfriend's birthday I got him one of those illustrated sex manuals and told him he could choose his own present. I thought this would be a fun idea but it ended up backfiring on me in a way I hadn't foreseen.

“So, you're saying I can have anything in here at all?” he asked.

“Absolutely, just name it and we'll do it,” I told him, expecting him to ask for a sixty-nine or even for me to lick chocolate off his cock. As it happened, it was another page altogether that caught his eye.

“Okay then, I'd like page 112,” he said and handed me back the book.

When I saw what he'd chosen I almost died. The chapter was all about anal sex and there were several pictures of girls with dildos in their bums. I told him I couldn't possibly do that but he insisted this was the present he wanted so in the end I had to agree.

We stripped off and had a kiss and a cuddle and I went down on him and sucked his cock. I wanked him into my mouth, good and hard, and stroked his balls all over, just how he loves it, desperately trying to make him blow his load so that maybe he'd forget all about the arse fucking. Unfortunately for me, Justin realised what I was up to and stopped me just as his pre-cum started leaking out all over my tongue.

“Oh don't be mean, give a girl a drink,” I purred and sucked his cock some more, but he managed to pull his cock away just as it started twitching in my mouth.

“Turn over now, this can't wait any longer,” he ordered, so I did as he said and bent over on all-fours. Justin licked my cunt from behind, then turned his attention to my arsehole. I'd never been rimmed before but found it unbelievably stimulating. Justin pushed his tongue into my ring, then followed it up with his fingers, lubing me up with my

own pussy juice. It felt weird, but devilishly exciting as he finger-fucked me in both holes at the same time. I pulled at Justin's cock and rubbed saliva all over it with the palm of my hand, resigned to taking it in the rump before the night was out.

“Come on then, give it to me,” I said, so he stood over me and bent his knees until his prick touched my crinkled pink hole. I took a deep breath and relaxed as much as I could, then Justin pushed his cock inside me. It felt so much fatter than his fingers and stretched my anus open as his shaft pressed forward. I clenched up around his cock, but not enough to keep it from entering me, and Justin filled my arse with meat. I let out a low moan as his balls came to rest against my buttocks and held him there while I got used to the sensation.

“You like?” Justin asked, and to be quite honest, I did. It felt incredibly intense but really satisfying. Justin eased his prick out, then pushed it back in again, giving me a head-rush like you wouldn't believe. I stroked his buttocks all over as he pumped me slow and deep, drawing his thick length out so that only the very tip remained inside my ring, then plunging it back inside.

My nipples stiffened and my face glowed hot as I began to enjoy myself and started pushing back against his thrusts to drive his cock into me with more force.

“Fuck me harder,” I demanded and rubbed my sopping slit as Justin stuffed his solid erection between my cheeks again and again. I dipped two, then three fingers inside my pussy and fucked myself in one hole while Justin fucked me in the other. I was totally hot for it now and loving the feel of my boyfriend's thick prick inside my bum.

“Oh yeah, I'm coming! I'm coming!” I cried and suddenly squirted all over my hand. I'd never known such a powerful orgasm in all my life and managed to keep it going for ages while my arse got hammered.

Justin's strokes started getting shorter and faster and he buried himself deep inside me again and again. I sensed he was going to blow and worked his cock with my sphincter until suddenly I felt a hot gush of cream flooding my colon. Justin emptied his balls inside me then asked if I still wanted a drink. I was so turned on at that moment I would've done anything he suggested, so I said yes and sucked his cock for the last few drops.

Not a bad present, I think. And who says books are boring gifts? Sarah, Cleveland

**D**ark and tempting are two words Tiffany Thompson hears often, but she seems to enjoy the conclusion.

"It makes me sound like a chocolate bar, a really rich 80% one, which in my eyes is more than welcome. Just think of me melting on your tongue."

The thought of tasting Tiffany is more than we can bear and the little minx is delighted by it.

What our well-placed moles are telling us this month...

## I Have a Plan!

Most of us will be familiar with the cartoon Whacky Races, which follows eleven race cars through various rallies across North America, with the villainous Dick Dastardly and his wheezing sidekick Muttley, devising multiple obstacles and deviations to get rid of the other competitor. Now, although there was no foul play in the Venice Marathon, the winner Eyob Faniel may have gained a small advantage after race officials sent participants down a wrong turn. The incident occurred 16 miles into the

race and caused the leaders to run nearly 700 meters in the wrong directions. Faniel cleared the finish line a full three minutes ahead of the runner who took second place. It's never over till it's over!

## Bum Note!

The Police Department of Montreal are clearly not fans of the 1990's hit by C+C Music Factory 'Everybody Dance Now' as one poor driver found out to his cost. Taofik Moalla was driving home and singing along to the said song when the 38-year-old was pulled by four Canadian officers how asked him what he was doing.

Moalla replied "Nothing" after which one officer asked if he'd screamed loudly. Moalla explained that he'd been listening to his favourite song and repeated the catchphrase "Everybody dance now!"

Moalla's driving licence was checked, and he was issued with a 149 Canadian dollar fine for screaming in a public place. Gracefully Moalla accepted the ticket at the time but is now contesting it in court.

## Fill Your Cups!

If you're a busty lass and love a Chinese, then a restaurant in the Zhejiang Province of China is offering a discount based on your

cup size. So the larger your bouncers, the more significant the discount, with a G-cup getting a whopping 65 percent off. The Trendy Shrimp's provocative discounting has provoked anger in the region, with locals calling it "discriminatory and vulgar". The offer was advertised via a poster featuring various women, with different breast sizes. However, the poster was removed following a backlash, but the restaurant's manager has defended the offer stating that his customer base rose by 20 percent when the offer was in place and that many women he met were proud and had nothing to hide.
